Your new password: _____

Logging in

To log in:

1. Go to the Web page listed above
2. In the Username field, type your user name
3. In the Password field, type your password
4. Click the Login button, your personal chart page will appear

To view your chart information once you log in:

On the left sidebar menu, click the item you want to view. The information appears in the center of the page

Logging out and exiting:

You should always log out of your online chart when exiting, especially if you are accessing the product from a shared or public computer

To Log out:

Click the Logout link that appears at the top left side of the page. The login screen will appear, verifying that you have logged out successfully

If you have any questions or need your password reset please call the office at (707) 823-7602
